## SITTER HUB LLC PARENT AGREEMENT

Specific guidelines need to be provided to the babysitter BEFORE arriving to avoid any confusion, written out in words. If the sitter is uncomfortable with any of these conditions (such as an allergy or supervising while swimming) they must notify the parent regarding their concerns.

Parents must be respectful of all babysitters and notify him/her if the sitter will be expected to work more hours than planned.

Parents cannot partake in the discipline of the sitters.

If something should happen, the sitter must decide the immediate plan of action, whether that is calling the parent/guardian or in an extreme situation, emergency services (911).

### SITTER HUB GUIDELINES

The parents must be loyal in which each parent cannot contact the sitter(s) outside of the Sitter Hub business seeking babysitting jobs. If a parent does happen to directly contact the sitter regarding a babysitting job, without the sitter accepting the job through Sitter Hub, the sitter is required to contact Sitter Hub and report this.

### NON-COMPETE

Parents cannot contact the parent at all, aside from their assigned babysitting job, regarding sitting opportunities. Only after nine months from termination from the Sitter Hub service can the parent then contact the sitter regarding sitting opportunities. In this case, the sitter the parent is contacting must also be terminated from the Sitter Hub service for nine months.

### CANCELLATION

If a job is canceled 24 hours prior to the requested date, the parent is charged a \$7 cancellation fee.

If a job is canceled 48 hours prior to the requested date, the parent is charged a \$5 cancellation fee.

### 48 HOURS PRIOR

If a job is scheduled 48 hours prior to the requested date, Sitter Hub cannot guarantee to find a sitter.

## PAYMENT

Sitter Hub has a babysitting hourly rate of \$11/hr for one child + \$2/hr for every additional child. In order to schedule sitting jobs with Sitter Hub, parents must pay a \$50 6-month subscription which provides them with unlimited access to our database of sitters.

Sitter Hub has a driving hourly rate (strictly driving, no sitting) of \$15/hr/all children.

## CONFIDENTIALITY

The parent cannot disclose any confidential information they may have received regarding the sitter to anyone, unless for emergency purposes.

## INDEPENDENT CONTRACTOR

The sitter is acting as an independent contractor and not as an employee under Sitter Hub as provided in this agreement. Sitters promise to the contracted parents these expectations, as outlined in this agreement, not directly to Sitter Hub. Sitter Hub is only used to match sitters with parents, schedule jobs, and facilitate payments. Sitter Hub is only a third party beneficiary to the contract, not a party to the contract.

## TERMINATION

If the parent happens to break any expectations under this agreement under the terms where Sitter Hub feels termination is necessary, then the parent will be notified immediately.

## GOVERNING LAW

This agreement shall be constructed under and in accordance with the laws of the State of Illinois.
